Thanks Gina. Best of luck with the incident. Please let us know what we can do to support you.

Hello Maria,

I apologize I'm not sending this note sooner but EPA/we have to withdraw from the training event next week. Unfortunately the Gold King Mine incident has derailed this - none of my scheduled instructors are available and/or other staff have been deployed to Durango. I am sorry to screw up your agenda. Hopefully we can have the discussions with USFWS soon.

Regards, Gina
